2010 Season Approaching!

Director of Golf, Rick Aleshire, PGA

We have just endured one of the worst winters in 100 years but in between the shoveling of snow the golf course staff has worked out some new and exciting offers!

WEEKDAY Memberships are now Available! This membership is good Mon-Thur and Fri/Sat/Sun/Holidays after 1200hrs.

Reciprocity with Ft Belvoir and Aberdeen is still available Mon-Thur to FMGC Members.

We are currently in negotiations with Timbers at Troy and Compass Pointe to get some form of reciprocity.

Construction Update

The contractor is working on replacing the cart path on #7/8 Applewood and is finishing the grading of all areas affected. The cart path will be relocated to the right side of the green to make room for the widened Taylor Ave. The golf course staff will sod the #8 Applewood tee later this month. All work will be completed and the Applewood nine should be open for play by April 3rd.

Currently the golf course still has 2" of snow on the ground. We do not expect to have any more storms for the rest of the month. The staff has been busy cleaning and painting golf equipment as well as sharpening and rebuilding mowers. We are looking forward to better weather in the spring and a great golf season for 2010.

Aerification: March 15-19th
